10:26:42	1	BY MS. REDDY:
10:27:13	2	Q. Okay. Good morning, Officer. My name
10:27:15	3	is Prathima Reddy. I'm the attorney for Quentin
10:27:19	4	Suttles, plaintiff in this matter, in the case
10:27:20	5	entitled Suttles versus the City of Buffalo.
10:27:23	6	There's two individual officers named in this
10:27:26	7	lawsuit as well: Officer Ammerman and Officer
10:27:28	8	Scheu. Are you familiar with those officers?
10:27:30	9	A. Yes.
10:27:31	10	Q. Okay. Have you ever participated in a
10:27:32	11	deposition before?
10:27:35	12	A. Yes.
10:27:35	13	Q. In what case?
10:27:37	14	A. Tyshawn Vance I believe was the case
10:27:46	15	versus the city.
10:27:48	16	Q. What type of case was that?
10:27:50	17	A. Use of force.
10:28:02	18	Q. What was the outcome of that case?
10:28:05	19	A. Tyshawn went to prison for five years.
10:28:12	20	Q. And who was being accused of use of
10:28:15	21	force issues?
10:28:15	22	A. Myself. It was a traffic stop. He
10:28:19	23	produced a gun, refused to drop it. Force was used

5

10:28:23 1 to effect the arrest. He was on parole at the time 10:28:38 2 and crack cocaine was recovered as well.

- Q. And have you participated in any other depositions?
 - A. I don't believe so.

- Q. Have you ever been involved in any other use of force cases?
- A. At work I've used force before as a police officer.
- Q. Oh, okay. Thank you. I was just actually asking if you've ever been involved in any other cases involving use of force.
- A. Yes, many throughout my career I've been on seven years.
 - Q. How many?
- A. Just to clarify, how many times have I used force or an arrest that involved force? I don't understand.
- Q. Just a follow-up question. You said many, so I said how many.
- 10:29:43 21 MR. DUDDY: Objection. Form. You can 10:29:46 22 answer.
- 10:29:46 23 THE WITNESS: Yeah, I -- I'm not sure. I've

10:29:48 1 used force many times in my career to effect 10:29:53 2 arrests.

BY MS. REDDY:

- Q. Have you ever been accused of using force unnecessarily?
- A. Yes, but I've never had a complaint sustained against me through the Internal Affairs Division.
 - Q. How many complaints have you had?
 - A. I do not know.
- Q. Okay. Just going back a little, I know you've testified in a deposition before, but as you can tell today, Joan is here recording our statements, so it's important that you let me finish my question before you answer and also that you answer verbally which you've been doing, so thank you. I want to get a clean record today.

If you have any questions about my question, you can ask me and I'll rephrase it. If your attorney objects and lodges an objection, you still have to answer my question.

- A. Okay.
- Q. Unless you're instructed not to. Thank

 - **A.** 1/20/17, January 20th, 2017.
- Q. And what district did you start in as a probationary police officer?
- A. I was trained in A-District for three months. From there, I was transferred directly to E-District where I worked approximately a year, I believe about a year, maybe a little longer, a little less. And then October sometime in 2018 I

 - Q. And what is your current job title?

- Q. What shift do you work in the C-District?
- 10:33:11 15 **A.** I work in E-District now, and I work 10:33:13 16 the afternoon shift, so 3:30 p.m. to 1:30 a.m.

 - Q. And are you generally aware of the allegations made by Mr. Suttles that bring you here today to testify in a deposition?
 - A. Generally, yes.
 - Q. What is your understanding of those allegations against the City of Buffalo and its police officers?
 - A. I believe it's an excessive force, false arrest, along those lines.
 - Q. And are you referring to his arrest from May 10th, 2020?
 - A. I believe that's the arrest that's referenced in the suit.
 - Q. Did you review any documents prior to appearing here today?
 - A. I reviewed the subpoena. That's -- maybe the initial claims that I received in the first subpoena briefly, super briefly.

- A. I spoke to the other officers when we got noticed. Only a few of them, though, as like, hey, I got a subpoena. I believe there were some scheduling issues, so a few of us traded days.
- Q. And which officers are you referring
- A. Officer Massicci and I traded time slots for child care issues, and then I ride with Ron Ammerman, so I see him every day.
- Q. Okay. Did you discuss this lawsuit with him?
- A. We were both noticed at the same time.

 I believe it was the same email or they came in at the exact same time.

BY MS. REDDY:

- Q. What was your involvement in the arrest of Mr. Suttles on May 10th, 2020?
- A. I was working that day. I was riding with Marc Hurst, and we were in the middle of making a gun arrest when we heard the officers call out that they needed some assistance.
- Q. You said you were in the middle of a what?
 - A. A gun arrest.
 - Q. Oh, gun arrest.
 - A. Which was a few blocks away.
 - Q. So what did you do?
- A. We heard the officers calling out on the radio, and they seemed like they needed assistance, so we drove right over.
- Q. What did you observe when you drove right over?
- A. It was a while ago, I don't really recall much, but Mr. Suttles was in cuffs, in custody, and I just asked what the officers needed,

say an hour but, I mean, it could have been two hours, it could have been three, but I wasn't up there for like six or seven, if that makes sense.

- Q. Yeah, that's a good estimation. So less than three.
- A. Less than three, but, I mean, it felt like I wasn't there long. Maybe an hour, just to let one of them go down and get the paperwork done.
- Q. Okay. And were you in the same room as Mr. Suttles?
- A. For a little bit, yes. He was in -- I recall he was kind of in a room on the back left.

 I believe it was the old ER at that point, and I had a chair in the hallway so I didn't have to sit in there with him, but I remember going back and forth, and that was about it.
- Q. So was he getting medical treatment at that time?

10:52:06 1 I didn't bring him there. I didn't put him there.

Okay. So did you have any discussions with Mr. Suttles while you were there monitoring him at ECMC on May 10th, 2020?

- A. We did. I don't recall the exact conversation, but we briefly talked. We've had interactions in the past, so he knows me and I know him.
- Q. Okay. So let's go back to that. When had you previously interacted with Mr. Suttles before that day?

- A. Yeah, I believe so. I don't think it was December. I think it was January or February.
- Q. Okay. And what happened during that arrest?
- narcotics corner. We received multiple, hundreds of complaints of narcotics being sold there, crack and heroin. When we pulled up, his car was parked too close to the curb. Upon further investigation we smelled marijuana, stepped him out. And, I mean, I've seen the video with Ron Ammerman, the 2020 incident video, or the May video. He did pretty much the same, exact thing during the pat-down. Pulled away, tried to run. I had to take him to the ground, and he was cuffed.

We did locate narcotics nearby, and when we pulled up, we did observe what appeared to be addicts near the car.

- Q. What near the car?
- A. Addicts, like drug users.
- Q. Oh, addicts.

- A. Yeah, like physically appeared to be addicts.

- A. Yes, yes, like by his car window.
- Q. So you said something about you watching a video and the same, exact thing happened. What were you referring to?
- A. The -- the video of the incident where the lawsuit's generated from.
 - Q. Could you explain what you mean?
- A. Yeah. So when the pat-down was being conducted, he's at the beginning complying, a little nervous, and when the pat-down gets conducted, right at the same spot of where -- I mean, I've made a lot of narcotics arrests, I've made a lot of firearm arrests. Most firearms and most narcotics are recovered from the waistband area. Right when you get to his waistband he tenses up, pulls away, tries to run. I believe there's body camera of that incident.
- Q. Okay. Thank you for sharing. I'll be asking your counsel for that body cam footage.

 And going back to May 10th, 2020, when you

arrived at ECMC, was your body cam on?

A. I don't know. We have a policy to not put it on in the hospital, but I might have thrown it on if Mr. Suttles was making admissions towards the case. I don't -- like I said, I don't recall. I didn't review my body camera footage from that day or anything like that.

But usually at ECMC, in hospital settings, we turn it off due to departmental policy and, I mean, there's sensitive stuff for the public in a hospital. You don't want to film someone with medical treatment or, you know, you're filming him and someone's behind him. You know, it's a -- kind of a sensitivity thing.

Q. Sure. Through your counsel, I'll be asking for you to check if you have that body cam footage available. I'd like to see both of those from January or February 2020 and May 10th, 2020.

Also going back to this incident that you're referring to in January or February of 2020 involving Mr. Suttles, what did you arrest him for?

A. I believe it was obstruction, and he had just got out of jail the night before for

narcotics, and I believe he states that to me. So he was arrested the day before I arrested him for fleeing from a car, and felony narcotics were recovered by two I believe C-District officers.

- Okay. So just focusing on the incident Q. involving you and his arrest, you arrested him for obstruction of justice; is that accurate?
- 195.05 is what we arrested him Yeah. for. We did find some crack cocaine in the near proximity, but we were not able to connect Mr. Suttles to that crack cocaine at the time. The video from the store did not get that angle.

It's also known that if you park at that store right in that spot, the video doesn't get it, so it's a -- it's a very -- it's probably -- in C-District, it is probably the number one -- top three narcotics sales spot. It's been a hotspot of ours for -- or directed patrol is now the new word they're using for -- it's been a mark on the map for a long time.

commonly frequented by addicts, and that day there were I believe one, maybe two that were on that street, if I'm recalling correctly.

- Q. Okay. So the crack cocaine that you planned to have retrieved could have been theirs?
- A. It was not located where -- near where they were, if that makes sense, because --

- Q. You still have to answer. Your attorney can lodge his objection for the record, and just as long as you're not speaking over him, you can answer the question right after.
- A. Yeah, it was -- I mean, it could have been anybody's where it was located, but it was within proximity to the vehicle. It's very common for people to sell narcotics and stash them places and then get out, go get them, come back, get out,

go back them, come back. It's a common practice I've seen in my law enforcement career.

- Q. So what led to the charges of obstruction of justice against Mr. Suttles that day?
- A. He tried to flee and failed to comply with lawful commands. At one point he pulled himself back in the vehicle and was yelling to his girlfriend, or I don't know who it was, to pull off, pull off, and she was considering it, which would have been a really bad situation because I was half in the car and my partner that day, Marc Hurst, was kind of in the driver or the passenger window, so it would have been a really dangerous situation.
- Q. And you testified that his car was parked too close to the curb? Is that what initiated a stop?
- A. Yeah, I think there's a fire hydrant there, too. Again, it was a long time ago. I don't recall. I'd have to review the paperwork to -- I just was stating my previous interaction with him. I'd have to review the paperwork and I

- Q. What is your understanding of the legalization of marijuana in the State of New York?
 - A. It's been decriminalized.
 - Q. When did that happen?
 - A. I believe is it April 2021? I don't

know the exact date, but it was in -- I believe it was in 2021, but I'm not positive. I think that was when they decriminalized it and began the process to sell it.

- Q. So how does that impact you when you're on -- on the job?
- A. I mean, it changes the -- marijuana necessarily isn't probable cause to search a vehicle as it was before unless you believe there's an impairedness or maybe they're under the age of 21. I believe 21 is the age to possess, but it does change the job.
- Q. So going back to the arrest you testified in early 2020 before the incident that brings us here, you indicated that Mr. Suttles' vehicle was either parked too close to a curb or too close to a fire hydrant. Is that what allowed you to stop him in his vehicle?

interaction. Like I said, there's -- there's body camera of that incident that will better describe it. I can't remember if there was a fire hydrant or it was too close to the curb or on the curb, but the paperwork and the body camera footage would paint a better story for you than I could tell you. It's just been -- I mean, it's been three years, right, four years?

- Q. So you smelled marijuana in the vehicle. Did that prompt you to ask Mr. Suttles to exit the vehicle for a search?
- A. At that time we were able to search for marijuana. But, yes, that would have been one of the reasons then, plus the -- I mean, like, again, I don't -- I don't know exactly what occurred, but it would have been the suspicion of narcotic or narcotic sales or something could have been a factor. I don't -- I don't fully recall, but there's body camera footage and a police report that are attached to this arrest.

BY MS. REDDY:

- Q. And what did it say?
- A. I believe there was a traffic stop where individuals fled. A large amount of drugs was recovered, and Mr. Suttles was arrested for possession of narcotics. I'm not sure of the context, but I just read the report, and that's kind of what it said.
 - Q. What type of narcotics?
 - A. Not sure.
- Q. So you had indicated that Mr. Suttles knows you. You've encountered him many times. Any other encounters besides this one that you just testified to in January and February of 2020?
- A. Not notable. I mean, I work -- I worked in the same district for five years, so I encounter, I mean, possibly hundreds of people a day through different calls and stuff. So I could have interacted with him more. I don't know.

I do know he had a pretty intense arrest for a firearm at some point, that I do know the officers had arrested him for that. That was --

I also know the -- I responded to a shooting shortly after that firearm arrest, or shortly before that firearm arrest. So that means the shell casing from the shooting, I think it was an 11-year-old girl in the foot, did match the firearm that was recovered from Mr. Suttles' person I believe it was like a week later or a short time frame later.

unfortunately they use these stores as a place to sell narcotics. Not the stores themselves, but in my practice of seven years, I've seen it daily that stores are used to sell narcotics, whether it's outside the store, just inside the store. It's -- it's very common.

- A. I did not label it as a hotspot, but, yes, people could come legally and go. I just -we -- we happen to be in these areas because of narcotic sales. The store owners ask us to be there. I'm friends with a lot of these store owners. They have my personal cell phone number because they are, you know, valued members of the community, and when they ask us to make sure no one's loitering in their store or make sure no one's selling drugs in their store or carrying guns in their store, we try to help them out.

 - Q. Did he ever claim he suffered any injuries from that arrest?
 - A. Not to my knowledge.
 - Q. So on that day in question did you get a call to be in that area?
 - nonemergency line numbers, all day long, so we could have gotten a 311 call that day. I go to briefing and I get the 311 complaints, and they're -- there's a stack of them. Sometimes three. Sometimes ten. So it's common that these places do generate calls on a daily basis, but we only get them when the 311 complaints come through.

So I can't -- I can't speak to if a call was made that day or not. Just that it was placed on the 311 complaint or the community complaints to follow up on.

But, yes, I usually get three or four of them. I'll follow up through my working days, and there will be more the next set of working days. But sometimes you come in and there's one, and the chief's like, hey, you got to go over there and take care of this, they've been calling all day, and we go take care of it.

- the like call, so I would have been logged in the like call, so I would have went on the police radio, and I'm not sure my call assigned that day but, for example, I would have said -- this is a hypothetical. I would have got on the radio, police radio, and I would have said, Charlie 490 to radio, can you show me going up to the hospital to relieve Charlie 4 -- half of Charlie 480, end quote, something along those lines. Then that would have showed me going up there and assisting him.

But sometimes it's really busy and sometimes, you know, that doesn't happen, and sometimes it's sent with a message, or sometimes you just tell the lieutenant over the phone. It just kind of depends, but it would have been logged somewhere.

Q. Logged at the time that you received

MR. DUDDY: Objection. Form.

THE WITNESS: I'm -- some -- someone would have been notified that I was going up to ECMC to relieve Officer Ammerman or Officer Scheu. Whether it was a supervisor, 911 dispatch, or police radio, someone would have had -- had been noticed.

BY MS. REDDY:

Q. Right. What about after the fact?

After you went to ECMC, you encountered

Mr. Suttles. Did you make -- did you document that in any way?

MR. DUDDY: Objection. Form.

THE WITNESS: I -- I'm not sure. I don't know if I did or didn't. I'm not required to.

Like I don't -- it's not required documentation, so I don't know if I did a P-73 or -- or reported anything. I didn't report -- do any police report noting it. I just -- that's all I got.

BY MS. REDDY:

Q. Right. Okay. I'm going to share with you another document that was also produced in the normal course of discovery by Corporation Counsel

who represents the City of Buffalo and the officers in this case. This has been labeled as defense Exhibit 1, and it's been put into evidence in prior depositions this week.

I'm going to direct your attention to page
8. Do you recognize this document?

- A. That is a case history document.
- Q. How is this document generated?
- A. It's generated at central booking by the officers involved.
- Q. Is there a specific officer that oversees this document?
- A. One of the two main officers usually oversees it, unless there's a detective involved in the case.
- Q. Okay. Do you see your name anywhere on this document?
 - A. Yes.

 - A. Assisted in investigation and arrest.
- Q. How did you assist in the investigation and arrest? And just for context, are we still

referring to Mr. Suttles in relation to his arrest of May 10th, 2020?

- A. Yes. I arrived on scene. I asked the officers what they needed. Maybe they said, hey, could you block traffic here, something along those lines, which I would have done to help them out.

 And then from there, I assisted them up at ECMC by relieving one of them to do some paperwork.
- Q. Okay. And what about the second part?

 How did you perform the function noted here for his arrest?
- A. I was part of the arrest. That's -that's all that means. I don't think it's noting
 that I effected the arrest or -- this was an
 arrest, so all these people listed were a part of
 the arrest is what it's saying.

Just to the left of that, so just south is right where the incident just occurred. So we were effecting this arrest right around the corner.

It's happened numerous, numerous times 12:12:16 21 in my seven years. I've made hundreds of narcotics 12:12:22 22 arrests, felony narcotics arrests, and that has --12:12:29 23 narcotics, I would say the majority of them are

covered -- recovered from the waistband or the pants area, and many times they try to be concealed in or on a person, in my seven years experience in law enforcement.

Q. So are you referring to like the butt cheeks?

MR. DUDDY: Objection. Form.

THE WITNESS: Yeah. So, I mean, men wear boxers that are like boxer briefs, so you could place it in there. Sometimes they put it in the front of the waistband of the boxers as well.

Other times, yes, it will go to the butt cheeks, and other times they're shoved inside them.

I've had guys cough and squat at central booking, and huge rocks of crack have fallen out of them. I recently made an arrest where as a guy was leaving ECMC, he tripped, and a three or four-gram piece of meth not in a bag came out of his anus. I mean, that's -- it's extremely common. It's a huge safety risk to the person involved. I mean, it's -- it's pretty crazy to do, but it happens.

BY MS. REDDY:

Q. And is that what the suspicion was on this day in question with respect to Mr. Suttles?

MR. DUDDY: Objection. Form.

THE WITNESS: From what Officer Scheu explained to me, that was my assumption. Again, I wasn't there for the initial incident. I'm not sure what transpired besides what I've seen on the video, but from what he described, it's very common that a person would hide narcotics in that way.

recovered.

BY MS. REDDY:

- Q. As you sit here today, what is your understanding of any narcotics that were recovered from Mr. Suttles on the day of his arrest on May 10th, 2020?
- A. When you were scrolling through, I could see the charges, and I didn't see any controlled substance, but I did see a destruction of evidence. During that search process in that video, I did see the recovery of two ripped bags, and that is commonly how narcotics is packaged.

Again, I can only quote my past experience because I didn't have much to do with this arrest, but it is extremely common that people rip bags of cocaine. They rip bags of crack. They try to

swallow -- I've witnessed people swallow crack and
I had to wrestle it out of their mouth to prevent
them probably from dying if the bag rips.

with you in case of an emergency.

Follow up with your healthcare provider or orthopedist within 2 to 3 days: Write down your questions so you remember to ask them during your visits.

Activity: Talk to your healthcare provider or orthopedist before you start to exercise. Start slowly and do more as you get stronger. Exercise will help make your bones and muscles stronger. Do not play contact sports, such as football and wrestling, while your scapula is still healing. Ask when you can start playing contact sports.

Physical therapy: You may need physical therapy once your swelling and pain have improved. A physical therapist will teach you exercises to help improve movement and strength.

Ice: Ice helps decrease swelling and pain. Ice may also help prevent tissue damage. Use an ice pack, or put crushed ice in a plastic bag. Cover it with a towel and place it on your scapula for 15 to 20 minutes every hour or as directed.

Sling care: Healthcare providers may put your arm in a sling to support your scapula while it heals. Keep your sling clean, and adjust it so that your arm is comfortable.

Rest: Rest when you feel it is needed. Slowly start to do more each day. Return to your daily activities as directed.

Contact your healthcare provider or orthopedist if:

- You have a fever.
- You have more swelling than you did before your arm was put into the sling.

5/11/2020 - Received contact information for complainant, Tina Akaic – 716-563-2343. This writer spoke with Ms. Akaic via telephone and I was advised she was not present during the incident. Ms. Akaic stated she has child in common with Mr, Suttles. She informed me that Mr. Suttles was unable to take my call and in any case had been advised by his attorney to not speak anyone. Ms. Akaic stated she did not have the name of his attorney readily available, but she agreed to pass on my information.

5/11/2020 - Obtained cell phone videos of the incident and follow-on reactions via Facebook and added to case file

5/11/2020 – Obtained the involved Officers body worn camera footage of the incident and added to case file

5/11/2020 – Obtained arrest documents, medical records, and criminal history for complainant, Quentin Suttles.

5/12/2020 - This writer and IAD Investigator Lt. Louis Kelly conducted a canvass of the Eagle St. and Madison St. neighborhood.

We spoke with Demetris Stepney of 9 Madison St. Upper. Mr. Stepney stated he did not observe the beginning of the incident. He heard yelling coming from outside his home and he went outside to see what was happening. He stated he observed a black male handcuffed on the ground and Officers were punching him in the head and striking him on his back with their knees. Mr. Stepney also stated there was a female present who kept yelling at the Officers, telling the Officers to stop hitting the male. He stated that after the scuffle, Officers appeared to be searching for something. They searched the male, the ground, and the male's vehicle, but they did appear to find anything.

We also spoke with Ricky and Faith Bishop of 584 E Eagle St. Their residence is at the northwest corner of E Eagle and Madison Streets. They too did not observe Officers initial contact with Mr. Suttles. They came outside to investigate after hearing yelling outside their home. Mr. and Mrs. Bishop stated they observed two Officers on the ground with a male. One of the Officers was striking the male in the head with his fist. They also stated they observe a female yelling at the police while filming the incident on her cell phone. The Bishop's later reviewed their home surveillance video which they stated showed Mr. Suttles' vehicle turning northbound on Madison St. from E. Eagle. Madison St. is one way for traffic traveling southbound. A police vehicle with lights activated followed Mr. Suttles vehicle northbound on Madison St. Video on Madison St. was obstructed by parked vehicles. This writer provided the Bishops with my contact information in order to obtain copies of the videos.

5/13/2020 – Police Officer Gaisha Wilson of the Internal Affairs Satellite Office received a voicemail from Attorney April Robinson. Ms. Robinson stated she was the representative for Mr. Quentin Suttles. She provided the following information:

4/6/21- Police Officer Ronald Ammerman gave a statement to Lt. Alberti @1515 hours. Stated he and his partner, PO Mike Scheu did observe a car travelling the wrong way on a one way street. The car attempted to do a 3 point turn to head in the right direction and was subsequently then pulled over by subject Officer and his partner. Stated PO Scheu approached the driver's side and was speaking with the driver and the subject Officer did approach the passenger side and was speaking with the FM passenger. Stated the smell of marihuana was exiting from the vehicle and subject Officer did see what appeared to be narcotics baggies on the floor where the passenger was sitting. Stated the male driver exited the vehicle and was being patted down by PO Scheu when he appeared to have turned into his partner at which time subject Officer did go over to the drivers side to assist after partner stated he had felt something that could have been narcotics during his pat down in the waist band / pocket area of the male. Stated the driver did lean into the vehicle handing the FM passenger his cell phone. State the male kept going in his pockets and was told several times to remove his hands from same and subsequently after not complying was taken to the ground by Officers and did pull himself under the car up to about his waist so that his upper half was beneath the car.. Stated the male was told repeatedly to stop and put his hands behind his back due to the fact if he had indeed had narcotics he may attempt to hide or destroy evidence or even worse attempt to swallow it that could possibly lead to his death. Subject Officer also stated it is also possible that the male have a small weapon, knife or razor blade still hidden at this point. Stated both Officers repeatedly gave verbal commands to the male to stop and give Officers his hands and only did after being struck several times in the head by subject Officer while partner was also informing subject Officer of the whereabouts of the males other hand. Stated he never had the male in a choke hold but rather a restraint where the upper body and arm would have been in the Officers grasp. Stated male kept yelling he was being killed and could not breathe, at no time was the male in danger of not being able to breathe or lose consciousness due to being restrained. Stated bystander's as well as the FM passenger were telling the male to just stop and it would be ok to which he did ignore what they were telling him. Stated the male eventually stopped most likely from fatigue and did give the Officers his hands to be cuffed and no other force was used against the male once he did comply as Officers repeatedly asked of him to do.. Stated the male was taken to CCB for a more thorough search and then taken by ambulance to ECMC for medical and was accompanied by subject Officer who rode in the back. Stated the male while enroute to CCB and also ECMC did state to Officer's that he did have drugs on him that he gotten rid of it in the grass and told his girlfriend everything would have been alright had he just given the drugs up. Stated no drugs were ever recovered, male was treated at ECMC and prir to this date the subject Officer had no previously dealings with him.

4/6/21- Police Officer Michael Scheu gave a statement to Lt. Alberti @ 1540 hours. Stated he and his partner, PO Ammerman did observe a vehicle travelling the wrong way on a one way and stopped the vehicle for this. Stated a very string odor of marihuana was coming from inside the vehicle as its windows were rolled down as Officers approached. Stated the occupants of the vehicle did admit to smoking and the male driver stepped out of the car to be patted down bu subject Officer as his partner stayed on the passenger side initially. Stated as he was patting down the male for drugs / weapons he did

feel something at which point he shook the shorts out and what he originally felt (8 ball) slid down into the males crotch area. Stated the male grabbed the door jam and did pull himself toward the inside area of the car at which time he was told to stop which he refused to comply with and was taken to the ground. Stated he did have his hand balled up inside his pants area and with his other hand was pulling himself under the vehicle almost being up to his waist area at one point. Stated Officers were able to get males upper body from under the car but his hand was still balled up at which point subject Officer believes he may have kneed the male in back of his leg once as he and his partner repeatedly asked the male to stop resisting and give the Officers his hand which was being held by him inside his pants. Stated bystanders and the FM passenger that were watching also were telling the male to stop resisting to which he did not comply with. Stated the male eventually stopped resisting and was handcuffed then taken to CCB to be thoroughly searched. Stated the male after the search was taken to ECMC by ambulance for medical treatment and did make admissions that he did have narcotics as the Officers had suspected.

5/5/21 - Corp. Counsel attorney Zachary Gariick did forward copy of 50-H given by Quentin Suttles 12/2/20 who's summary is a s follows: On the date of the incident, he had picked up food for 3 individuals and was delivering said meals with his girlfriend in her Chevy Cobalt. Stated after dropping the last meal off he was going to head from downtown to South Buffalo where he was going to pick his daughter up from her grandmothers home. Stated before leaving downtown he did stop to get gas for the vehicle at the gas station in the area of Jefferson and S. Division St. stated a white CV Police cruiser passed by as he was getting gas and did stare at him making him feel nervous at which time he left the gas station and did head down Jefferson and di then pass the same Police cruiser as they had just done a U-turn and were now heading back towards him. Stated he got worried and did turn the wrong way onto a one way street (Madison) and after passing 3 homes he did attempt to turn around at which time he did see the same Police cruiser approaching him with their overhead lights activated. Stated at this time he put the vehicle in park and was now horizontal blocking the roadway to which the Police cruiser did pull up to his parked vehicle in a T-bone position. Stated 2 officers approached the vehicle, one Officer on each side and he was asked by the Officer on hisside for his license, vehicle paperwork as well as inquiring if there were any drugs in the car. Stated he did exit the vehicle with his hands in the air and was searched by PO Scheu who searched his pockets of his sweatpants first and then was "fondled" by PO Scheu after they had searched the vehicle and had found nothing. Complainant then stated that the Officers had not searched the vehicle and he did not see them search same. Stated Po Scheu grabbed his penis and asked if that was him to which he replied "yes" at which point PO Scheu did then go up under his buttocks and grab the area his penis connects asking again "what's this" to which complainant responded "that's nothing". Stated he was then taken down and PO Ammerman takes over and does punch him in the eye while PO Scheu continued to "fondle" his penis. stated when he was taken down he ended up on his stomach, face down and one of the Officers was choking him at which time he began to yell to his girlfriend to record the incident as he "fought to stay alive". Stated backup Officers did arrive while he was on the ground as the "assault" was taking place. Stated he was never given any commands by Officers when he was taken to the ground and did not recall any Officer saying anything to him while on the ground. Said while on the ground his hands were "stretched out" until they were placed in handcuffs by PO Ammerman after his eye "closed shut". Stated he was then stood up by an unknown Officer and seated in the back of a Police car by PO Ammerman . Stated on the way downtown PO Ammerman asked him where the drugs were to which he replied he did not have any. Stated after Central Booking he was taken to ECMC after he was complaining about injuries to his arm. Stated while at CB he was subjected to a cavity search which required him to squat, bend over, spreads his buttocks and cough looking for whatever PO Scheu thought he was feeling during his search. Stated at ECMC his waist down was x-rayed as well as his right shoulder. Stated he believes the Officers made hospital staff x-ray below his waist believing he had ingested or tucked away in his buttocks drugs because he never consented to same and his complaint was an injury to his right shoulder. Stated ECMC staff did tell him he had a broken right scapula and a broken orbital bone in his right eye area. Stated while at the Hospital, he could hear PO Jake Giaranno telling PO Ammerman the video the complainants girlfriend had recorded was posted already on Facebook. Stated PO Giaranno did enter his room alone trying to "sweet talk" him telling him that if he had his girlfriend remove the video Officers would never bother him again. Stated he said ok to PO Giaranno feeling pressured to stay on the Officers good side. Stated he was taken back to CB where he did see the judge and was then released.

Chief Wright,

Just wanted to update you on the email I sent you yesterday regarding PO Scheu and PO Ammerman as I later discovered PO Scheu transferred to MP2 and his days off are different than originally stated.

PO Ronald Ammerman will be brought back from Administrative Leave on Wednessday 5/19/21 and upon his return to work that day at 1600 hours is to report immediately to the Cheektowaga Police Department's Range for his annual qualification with his Department issued Glock before he is released to work back on patrol.

PO Michael Scheu is scheduled to be on his first WV next. Wednesday but must report to the Cheektowaga Police Department's Range on Wednessday 5/19/21 to qualify with his department issued Glock. DPC Lark has authorized PO Scheu to get 4 hours of OT to do this and in discussion between the Range, myself and PO Scheu the hours for this will be 0800 - 1200

DPC Lark has determined both Officer's will in addition to thier qualifications be required to attend remedial article 35 training which she will decide the date for this after having discussion regarding same with Lt. James Stabler of the Academy

Both PO Scheu and PO Ammerman were notified yesterday by me regarding all of which I mentioned above and I respectfully recommend they be notified by thier Command of same. Should you need anything else regarding this please call me

Respectfully,

Today, 5/12/21, DPC Lark did hear IAD Case EC2020-024 which was an excessive force complaint involving PO Michael Scheu and PO Ronald Ammerman from Madison / E. Eagle on 5/10/20. After hearing all evidence related to the case, DPC Lark did determine the allegations against both Officer's were Not sustained. Per DPC Lark, PO Scheu and PO Ammerman are cleared to be brought back from Administrative leave on Wednessday May 19,2021 and on that day during at the start of their shift they are

to report to the Cheektowaga Police departments randge and qualify with thier Department issued Firearm as they both have not qualified since 3/4/2020.

I will be notyfying both Officers regarding this matter and would recommend their command follow up with them as well. Should you have any questions please call me

Hello Zack,

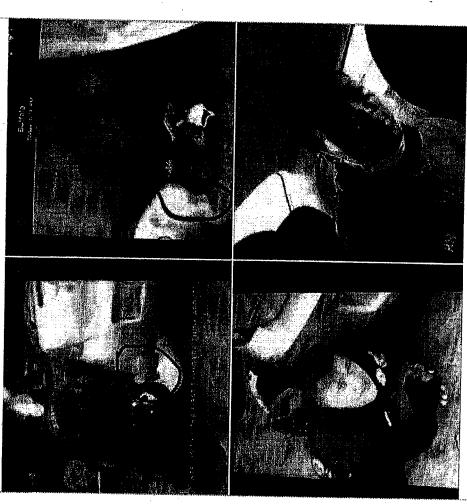

Working on a case opened from a Notice of Claim received from Attorney Jeffrey Krajewski and his clients allegations stemming from her arrest late on 11/8/20 and subsequent incarceration into CCB on 11/9/20. Has his client, Rachely Corrrtorreal given a 50-H or scheduled to do so?

Thank you,

Share!!! Buffalo, NY Police are targeting, pulling over our young men and women and treating them like shit. This young man could have been killed had this not been filmed, but was beaten although it was being filmed. Please anyone seeing a car stop please film. This young man has a broken collar bone and eye socket. I don't care if he has a police record. It has nothing to do with the Officers behavior. The Officer needs a police record for assault. #drivingwhileblack #breathingwhileblack #thebluewallofviolence

Anthony Ramirez Regardless of what a person does if the officer is not in any danger of loosing a life he has no right to abuse a person multiple punches to the face. Let it be the other way around the cop not in uniform and being treated like that by a cop he would not like just because. Your telling me two officers on one person and they couldn't handcuff them? No need to choke a person and throw it would he
